

[NAME OF AGENCY]

**Security Plan
Executive Written Acknowledgement of Risk**

According to Section 2054.133(e), Government Code, each state agency shall include in the agency's information security plan a written acknowledgment that is signed by the head of the agency, the chief financial officer, and each executive manager designated by the state agency and states that those persons have been made aware of the risks revealed during the preparation of the agency's information security plan.

By signing below, you indicate that you agree with the following statements:

- I have reviewed my agency's information security plan.
- As the agency head, chief financial officer, and designated executive, I acknowledge that I am aware of the risks revealed during the preparation of my agency's security plan.
- I understand this acknowledgement will be submitted with my agency's security plan by the Information Security Officer per the requirements of Texas Government Code, Sec. 2054.133 (e).
